SUMMARY

Motivated BTech Computer Science student with a strong foundation in data structures, algorithms, and web development. Passionate about creating efficient, user-friendly solutions and constantly expanding technical expertise through hands-on projects and internships. Adept at problem-solving, collaborative team work, and leveraging modern web technologies to drive innovation. Seeking opportunities to contribute technical skills and creative solutions in a dynamic work environment.

SKILLS

I have knowledge of MERN STACK.

I am proficient in C++ and Python

I have good problem solving skills.

PROFESSIONAL EXPERIENCE

I've dedicated my time to mastering core concepts in computer science through coursework and practical exercises. My focus has been on gaining a strong theoretical foundation and hands-on experience with web development and data structures & algorithms. I am actively working on personal projects to apply and further hone these skills and look forward to showcasing them as soon as they are ready.

EDUCATION & CERTIFICATIONS

VITYARTHI AIML CERTIFICATION
Artificial Intelligence and Machine Learning
VIT BHOPAL UNIVERSITY
